March 2018 Issue

Director's Corner

We are all looking forward to the months ahead. The weather this winter has been interesting. Hopefully spring weather will be here to stay soon!

Happy March!
Love,
Ms. Mary

Health Corner

There have been many different illnesses going around Michigan the past few months. Please continue letting Kids Junction know if your child will not be attending for any reason. If your child is running a fever, or has been ill, please keep him/her at home. This will help keep illnesses from being passed around the center.

Reminder: Children need to be fever free for 24 hours before returning to school, as well as not having vomited within the last 24 hours before returning to school. (This is without the aid of fever reducing medication, such as Tylenol or Motrin). This is for the best interest of everyone!

Thank you for adhering to this! ☺

Items Always Welcomed

We go through a variety of items quickly at Kids Junction. Donations of various items are always welcome.

- This month, we could use batteries of any type: (AA, AAA, C, D)
- Plastic grocery bags (these help cut down on the smell of diapers after being changed)
-

A big thank you to everyone who has donated items in the past. They are always put to great use.

Noelle

Green Eggs and Ham
Dr. Seuss's ABC
One Fish Two Fish Red Fish Blue Fish
The Foot Book
Hop On Pop
Fill a Bucket A-Z
The Perfect Hug

Did You Know...

When trying to make puzzle pieces fit, children are gaining important math and problem solving experience. They are learning about spatial relations through sizes (is the piece too big for that spot?) and shapes (does the shape of the piece look the same as the hole?). By utilizing puzzle activities daily, we encourage the continual development of essential math skills.

Welcome Aboard!

A big welcome to Elizabeth and Griffin and their families. We are so excited that you have joined our Kids Junction family!
